

Corinthian Vintage Auto Racing National Competition License Medical Form Doctor Information

Dear Doctor,

You are being asked to examine this individual who is applying for competition racing privileges with the Corinthian Vintage Auto Racing (CVAR) This form concentrates on the organ system and disease processes that may jeopardize the Applicant or others attending a competition race event.

Vintage Racing is competitive racing historically significant automobiles for the fun of driving these valuable cars at speed on a closed circuit. No prize money is offered and there are strict rules concerning overly aggressive driving. The average age of the drivers hovers around age 60+.

The functional requirements of the Applicant to drive in a competition automobile are:

1. Brain: the ability for rapid mental activity and problem solving.
2. Limbs: the ability to rapidly operate acceleration, braking and steering mechanisms and to rapidly exit the car without assistance.
3. Vision: distant vision correctable to 20/30 each eye, normal depth perception, peripheral vision to 70 degrees in the horizontal median for each eye and the ability to distinguish basic colors.
4. Minimal chance of sudden incapacitation from any disease process.
5. The environment in which the Applicant may operate a competition automobile is:
 - 1) Temperature extremes from below freezing to above 100 degrees F.
 - 2) Smoke, fumes, vapor and dust.
 - 3) Noise and vibration, deceleration and cornering forces.
 - 4) Potential for the presence of fire.

Applicants under 60 years of age are required to submit a current Physician's Examination every two (2) years.

Applicants 60 years of age or older are required to submit an annual Physician's Examination.

Thank you for your cooperation.
