

CVAR - NOLA

“Ace of Hearts” Bonus Race

Sunday Afternoon – Feb 16th

“Are you the Ace of Hearts

for Valentines Day”?

Here’s how it works:

1. Each CVAR Group will run a normal CVAR race (non-points).
2. Gridding is based on your last race finishing position (like normal).
3. Goal: To achieve the title of “Ace of Hearts”, you must race the most efficient, consistent laps. Using your lap times (excluding lap 1), we will calculate a standard deviation between your lap times and determine the “Ace of Hearts” Driver. The most consistent/efficient driver wins. You could have the slowest lap times, or the fastest lap times, but to be the “Ace of Hearts”, you must be the most consistent.
4. Here’s what the “Ace of Hearts” driver wins:
 - a. A \$50 Gift card to take your “Significant Other” out to dinner to make-up for spending Valentines Day at the race track. (Gift Cards will be mailed to each winner after the weekend).
 - b. Recognition on the Official Final Time Sheet as the “Ace of Hearts” driver/winner and recognition on the CVAR website and in the next CVAR Newsletter.

Gift Cards are paid for by Sponsor (not CVAR).
